Rep. Marjorie Taylor Greene

@RepMTG

Now it's time to arrest Manhattan DA Alvin Bragg for prosecutorial misconduct after hiding hundreds of pages of exculpatory evidence!

Bragg is on the verge of indicting an innocent former President and top Presidential candidate against the opposing ruling party.

Bragg is breaking the law and trying to incite civil unrest with his Soros funded political war.

Hold him accountable!

Wait, Bragg hid hundreds of pages of exculpatory evidence, and he wants to indict Trump! And at the same time he's ignoring a subpoena from the United States Congress! It's looking far more likely that Bragg will serve time rather than Trump.

First of all, there is no subpoena. It's a letter that says they'd like him to testify, but since his investigation is funded with \$0 federal dollars, they have no jurisdiction.
